*Allowable Subject Matter*

Claims 1-14 and 17-20 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or render obvious record does not disclose a process as called for claims 1 and 20 consisting of a cracking step in the presence of catalyst as called for in the claims. The closest art of record - Leyshon et al (5,026,936) - discloses a process as discussed in the previous examiner's answer. However, Leyshon requires a necessary metathesis step which is excluded from the claimed process.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thuan D. Dang whose telephone number is 571-272-1445. The examiner can normally be reached on Mon-Thu.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Glenn Caldarola can be reached on 571-272-1444. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
